September 22, 2009

**Attendees:** Teresa Anthony, Scott Sammons, Steve Fox, Karen Sammons, Mark Furrer, Michelle Kennedy

Opening prayer

### Principal's Report

Teresa Anthony reported that there are to be no games prior to 12 noon on Sundays. Please remind coaches of this important rule. Also if a child is late due to alter serving responsibilities they should not be penalized.

### Athletic Director's Report

Scott Sammons reported that two new baseball rules were added. These rules were not part of the larger PPSL general rule submissions last spring. The two rules are

- 1) There can be no more than three coaches in the dugout
- 2) It is OK, to call out an intended walk without actually pitching with 7<sup>th</sup> and 8<sup>th</sup> grade teams.

### Volleyball

Karen Sammons reported that the season is doing well, each team has had two games. Three girls who signed up, have since quit. Reminder that an athlete who commits to a sport and then quits for whatever reason, is ineligible to play in the following OLMC sport. It was also reported that the poles on the OLMC nets have been fixed.

### Code of conduct

Michelle Kennedy reviewed those athletes who do not have signed forms on file. An email notice will go out to all coaches to get those signed and sent to school office.

### Track

Mark Furrer reported that uniforms and equipment are at the school in the equipment closet.

Discussion over the equipment closet and the need to re-inventory all uniforms ensued. It was noted that new shelves would provide better use of the limited storage space. A new lock for this closet is also needed. Resources to help with this project were identified. It was noted that this is the best time to proceed with this project and that it needs to be complete before the Auction mid October.

### Basketball

There is **no Boys Basketball Commissioner**. It has been noted in the blue envelopment looking for volunteers. With no Boys Basketball Commissioner, there will be no boys teams assembled. If you can help our boys and be the Commissioner, contact Scott Sammons at [rwcsammons@aol.com](mailto:rwcsammons@aol.com)

Forms for Basketball will be included in the blue envelope the week of Oct 7<sup>th</sup>, team evaluations will be the first week of November.
